3224 USE OF THE VILLAGE GREEN

To discuss the request submitted by The Woolpack for use of the Village Green for a Bouncy Castle event on either Saturday 5th March 2022 or Sunday 6th March 2022.

After discussion unanimously agreed that the Woolpack, with their chosen operator, may site three Bouncy Castles on the Village Green either tomorrow, Saturday 5th March or Sunday 6th March.

Three Bouncy Castles to be permitted on the VG from approx. 1 p.m. to 6 p.m. with some background music played by the operator.

Clerk will immediately advise the Woolpack this agreement is subject to the following

- acceptance of our terms of use form
- prior sight of Public Liability Insurance and Risk Assessment of the Bouncy Castle provider (to be e mailed to Clerk or hard copies delivered tomorrow before setting up)
- and a reduced donation of £75 on the day from the Woolpack towards the upkeep of the green.

The Clerk will work with the Woolpack regarding refining the process of dealing with any future requests.

This to avoid the necessity of the Parish Council having to call an Extraordinary Meeting at short notice to respond to similar requests.
